Dear Creekstone Families, Staff, Supporters, Friends, and Community Partners,

The Creekstone Montessori School Board of Directors would like to officially announce that the search for a permanent Executive Director/Head of School will begin Monday, March 6, 2023. The open position will be posted in several publications and on Creekstone's website at www.creekstonemontessori.org, where the position description and employment application will also be located. The school board plans to announce the new Executive Director/Head of School before the end of the current school year.

Although delayed, the search for a permanent Executive Director/Head of School is in alignment with the board's plans for Creekstone, as David assumed this role on an agreed upon interim basis. David is committed to carry out his position as Interim Executive Director for the duration of the current academic year and, if necessary, will provide future transitional support. There are no words to express our level of gratitude for the work, foundations, and heart Dave has poured into Creekstone and its mission. His honorable imprint will always be with our school. We are also excited to begin the search and welcome a new leader, holding firm to the standards of carrying out the very best of Creekstone Montessori School's Mission.

Sincerely,

A handwritten signature in black ink that reads "Elissa Behnke". The signature is written in a cursive style with a large, stylized initial "E".
